+18% checkout conversion after research-led redesign

+30% developer handoff efficiency from Figma design system

22% newsletter open rate, 1.2% click rate, dark & light mode

+12% engagement from email and push lifecycle journeys

−40% creative costs with generative AI workflows

PROFILE

Senior Product Designer with 8+ years designing B2B and B2C digital products for the UAE and GCC. I own the full lifecycle, from user research and usability testing to Figma design systems and developer handoff, and I tie design decisions to measurable business results. I also design and build AI-powered products, including WhatsApp, voice and chatbot ordering, so I work comfortably with engineers on technical trade-offs.

EXPERIENCE

Senior UI/UX Designer & Product Design Lead

Jul 2020 – Oct 2026

Würth UAE · Dubai · B2B/B2C industrial e-commerce

- Owned end-to-end UX/UI for the Würth UAE eShop and wider digital products, from discovery and user flows to high-fidelity prototypes and production-ready UI.
- Ran research and usability testing with trade and retail buyers, found drop-off at cart review and payment selection, and redesigned checkout with segment-aware steps, lifting conversion by 18%.
- Built and governed the company Figma design system (components, tokens, states), improving developer handoff efficiency by 30%.
- Designed and managed all external newsletters in dark and light mode (22% open rate, 1.2% click rate), plus automated email and push journeys that lifted engagement by 12%.
- Designed CRM-driven experiences in Salesforce and Mango CRM, aligning design with business KPIs alongside product managers, developers and stakeholders.
- Brought generative AI into the creative workflow (Midjourney, Kling, VEO3, ElevenLabs), cutting external creative video costs by 40%.

Graphic Designer / UX Designer

Oct 2019 – May 2020

Crystal Media · Dubai

- Designed high-fidelity mockups and interactive prototypes for client proposals, improving pitch success rates.
- Designed interfaces for employee management and marketing web apps, refined through usability testing.

Graphic Web Designer

May 2018 – Sept 2019

Cloudhunt Technologies Pvt Ltd · India

- Led website projects and UX initiatives through wireframes and interactive prototypes, and wrote design documentation for developers.
